

## Scholar Rock Announces Pricing of Public Offering of Common Stock and Prefunded Warrants

October 29, 2020

CAMBRIDGE, Mass.--(BUSINESS WIRE)--Oct. 28, 2020-- Scholar Rock Holding Corporation (Nasdaq: SRRK), a clinical-stage biopharmaceutical company focused on the treatment of serious diseases in which protein growth factors play a fundamental role, today announced the pricing of an underwritten public offering of 2,948,718 shares of its common stock at a public offering price of \$39.00 per share. In addition, in lieu of common stock to certain investors, Scholar Rock is offering pre-funded warrants to purchase 2,179,487 shares of its common stock at a purchase price of \$38.9999 per pre-funded warrant, which equals the public offering price per share of the common stock less the \$0.0001 exercise price per share of each pre-funded warrant. The aggregate gross proceeds to Scholar Rock from this offering are expected to be approximately \$200 million, before deducting underwriting discounts and commissions and other estimated offering expenses. In addition, Scholar Rock has granted the underwriters a 30-day option to purchase up to an additional 769,230 shares of common stock at the public offering price per share of the common stock, less the underwriting discounts and commissions. The offering is expected to close on November 2, 2020, subject to the satisfaction of customary closing conditions. All of the shares and pre-funded warrants are being offered by Scholar Rock.

Scholar Rock intends to use the net proceeds from the offering to advance SRK-015 in Spinal Muscular Atrophy, including costs associated with preparing for and executing clinical trials (including a Phase 3 clinical trial), SRK-181 in cancer immunotherapy, development of its preclinical and discovery programs, as well as for working capital and other general corporate purposes.

J.P. Morgan Securities LLC, Jefferies LLC and Credit Suisse Securities (USA) LLC are acting as joint book-running managers for the offering. BMO Capital Markets Corp. is acting as lead manager for the offering.

The securities described above are being offered by Scholar Rock pursuant to a shelf registration statement on Form S-3 (No. 333-231920) that was declared effective by the Securities and Exchange Commission (SEC) on June 10, 2019. ### About Scholar Rock

Scholar Rock is a clinical-stage biopharmaceutical company focused on the discovery and development of innovative medicines for the treatment of serious diseases in which signaling by protein growth factors plays a fundamental role. Scholar Rock is creating a pipeline of novel product candidates with the potential to transform the lives of patients suffering from a wide range of serious diseases, including neuromuscular disorders, cancer, fibrosis and anemia. Scholar Rock's approach to targeting the molecular mechanisms of growth factor activation enabled it to develop a proprietary platform for the discovery and development of monoclonal antibodies that locally and selectively target these signaling proteins at the cellular level. By developing product candidates that act in the disease microenvironment, the Company intends to avoid the historical challenges associated with inhibiting growth factors for therapeutic effect. Scholar Rock believes its focus on biologically validated growth factors may facilitate a more efficient development path.
